## UNIVERSITY OF ECONOMICS, PRAGUE

The University of Economics, Prague (VŠE) is the biggest public university of economics in the Czech Republic. VŠE offers applicants a broad spectrum of study fields and branches in bachelor's, master's and doctoral degree study programmes at its six faculties (**the Faculty of Finance and Accounting, the Faculty of International Relations, the Faculty of Business Administration, the Faculty of Informatics and Statistics, the Faculty of Economics and the Faculty of Management**). Studies at the University of Economics, Prague meet the requirements of the European Credit Transfer and Accumulation System (ECTS).

Currently, there are about 17,000 students at VŠE. The classes taught at VŠE are guaranteed and provided by more than 600 qualified academics and business experts. VŠE has been certified with the **"ECTS Label"** and **"DS Label"** by the European Commission thanks to correct implementation of the credit system. The University of Economics, Prague is ranked by the **Financial Times** annually and has already been appraised for several years by the **Eduniversal Ranking** project as one of the best "business schools" in Central and Eastern Europe. Two master's degree programmes have been certified with **EPAS** accreditation by the European Foundation for Management Development (EFMD). The university cooperates with **more than 220 partner universities**.

There are approximately 1,000 outgoing students annually with an even higher number of foreign students accepted from abroad. VŠE is a member of numerous international organizations and networks such as the international strategic alliance **CEMS** (Global Alliance in Management Education) and **PIM** (Partnership in International Management). VŠE provides its students with a **high quality study environment and conditions**.

The university library contains more than 430 thousand books and 330 journals and provides access to numerous electronic databases with e-journals and periodicals on a broad range of topics. Students may use hundreds of computer stations on campus, a wireless network, or the modern Integrated Study Information System (InSIS). There are almost 4,500 beds available at the university's **dormitory facilities**. The university also has its own **sports facilities**.
